INSERTION WINDOW

Arrive at Nadi International Airport on Friday 20 November 2026 no later than 14:00. Extraction begins from Nadi on Monday 23 November after 16:00.

ON ARRIVAL

Collect your luggage, clear customs and walk straight through the corridor to the outside. Look for the Turtle Island Meet and Greet team holding the island sign. The Information Centre can also direct you.

ONWARD TRANSFER

Your handler will coordinate the final transfer to Turtle Island. Private-charter agents should reach the island by 18:00 on Friday and depart no earlier than 11:00 on Monday.

EARLY ARRIVALS

Agents arriving ahead of the formal window may stage near Nadi or Denarau. Breakfast-inclusive accommodation is the most sensible pre-operational base.

MISSION EXPENSES

Accommodation, sustenance and mission-specific island equipment are covered once you reach the operation. Agents remain responsible for travel to and from Nadi.

YOUR FIELD HANDLERS

Your Bure Mama or Bure Papa is your personal concierge and first point of contact. They can arrange activities, dine-outs or simply protect a quiet moment.

CONNECTIVITY

Complimentary Wi-Fi is available in the Gift Shop and Business Lounge. There is no Wi-Fi in individual bures. Confirm international roaming with your provider before travel.

LAUNDRY

Clothing placed in the laundry basket is collected each morning and returned the following day. Dry cleaning is not available.

EQUIPMENT DESK

Mountain bikes, stand-up paddleboards, kayaks and the sailfish are held at the Activities Bure on the main beach. The Dock Man can arrange assistance or lessons.

ISLAND RHYTHM

There is no need to over-schedule. Start with your handler, then let the island decide the pace.

WATER AND WELLBEING

Bottled water is supplied for drinking. Tap water is suitable for brushing teeth and rinsing. Your bure has a basic first-aid kit; key island staff are trained in first aid.

MEDICAL SUPPORT

A registered nurse and doctor are available on a neighbouring island, with local doctors available by telephone. The nearest hospital is approximately 30 minutes away by helicopter. AEDs, oxygen and EpiPens are on island.

EMERGENCY CONTACT

Fiji country code: +679. Turtle Island telephone: 603 0997. If you have difficulty establishing contact, your Client Manager can assist.

ON-ISLAND ACTIVITIES

Snorkelling gear and reef shoes are prepared at your bure when sizes are supplied. For archery, subwing, scuba, fishing and horseback riding, speak with the Dock Man or your Bure Mama or Papa to schedule.

EXPECTATION

Your only operational requirement is to be present, prepared and entirely willing to enjoy yourself.
