Optional Missions

TWO UPGRADES

Two optional upgrades are available for agents wishing to add a little more to their Golden Hour deployment. Both are entirely optional; the core mission is already exceptional.

VONU SPA

Every agent receives a complimentary 30-minute massage at Vonu Spa. Additional spa treatments are available at an additional cost. Indicate interest in the Deployment Form so your handlers can plan ahead.

SCENIC FLIGHT

A scenic flight over the islands is available by pre-booking for FJD 13,500 per group of five. Indicate interest in the Deployment Form so Pennywise can coordinate the option.

NEXT ACTION

Open the Deployment Form to transmit each agent's spa and scenic-flight preferences to K's operations desk.
