

# Q BRANCH

MISSION: KNOW YOUR ASSETS

## AGENT,

Every successful operation relies on exceptional intelligence, meticulous preparation and the right equipment.

Fortunately, Q Branch has been working behind the scenes.

Your island headquarters has been equipped with a range of comforts and essential supplies. Some are designed to make your assignment more pleasurable. Others ensure you can remain connected to the outside world — should circumstances demand it.

Study the following intelligence carefully. A well-prepared agent travels light.

## 03.1 EQUIPMENT ALREADY DEPLOYED

Your private island residence, known locally as a bure, has been prepared for your arrival.

### PERSONAL ESSENTIALS

Hairdryer, shampoo, conditioner, body wash, body lotion, cotton buds, tissues, insect repellent, beach towels, bathrobes and slippers.

A first-aid kit is also provided.

### IN-ROOM EQUIPMENT

An iron and ironing board, tea and coffee-making facilities, Bluetooth speaker and personal safe.

### Q BRANCH ADVISORY

There is no need to duplicate the standard supplies already awaiting you, unless you have particular preferences.

## 03.2 COMMUNICATIONS & SURVEILLANCE

### SECURE COMMUNICATION CHANNELS

Your island headquarters offers a rare luxury: the opportunity to disappear from the digital radar.

Complimentary Wi-Fi is available in two designated communications zones:

THE GIFT SHOP

THE BUSINESS LOUNGE

There is no Wi-Fi in individual bureaus.

Mobile reception may be available depending on your provider. Agents requiring regular contact with the outside world should confirm international roaming arrangements before deployment.

For urgent communications, telephone and computer facilities are available at the Gift Shop.

*"Sometimes the greatest luxury is being temporarily untraceable."*

EMERGENCY CONTACT  
TURTLE ISLAND

+679 603 0997

Should you encounter difficulties establishing contact, your designated Client Manager can assist.

## 03.3 AQUATIC HEADQUARTERS

POOL ACCESS // PRIOR AUTHORISATION REQUIRED

The island swimming pool operates on a reservation basis. Agents wishing to secure pool access should make the necessary arrangements through their island hosts.

The surrounding turquoise waters, of course, offer rather more expansive possibilities.

## 03.4 PERSONAL SERVICES

WARDROBE MAINTENANCE  
// DISCREETLY HANDLED

Laundry is collected each morning from the designated basket in your bureau and returned the following day.

Dry-cleaning facilities are not available.

Q BRANCH  
REMINDER

Even the most impeccably dressed operative occasionally requires assistance behind the scenes.
