

OPTIONAL MISSIONS

CHOOSE YOUR OWN ADVENTURE

AGENT,

Not every mission is compulsory. Some are simply too extraordinary to pass up.

K has authorised a selection of exclusive experiences for those wishing to elevate their island deployment from memorable to legendary.

Whether your preferred method of espionage involves surveying the territory from above or disappearing into a world of indulgence, the choice is yours.

05.1 OPERATION SKYFALL

AERIAL RECONNAISSANCE
PRIOR AUTHORISATION REQUIRED

Some secrets are best discovered from above.

An exclusive scenic flight offers breathtaking aerial views of Fiji's spectacular islands, turquoise lagoons and remote tropical landscapes.

This is no ordinary reconnaissance mission.

MISSION INTELLIGENCE

Cost
FJD 13,500 for up to five agents.

Status
Optional, at additional cost.

Clearance
Must be arranged in advance of deployment.

FIELD DIRECTIVE

Agents interested in this aerial assignment must register their interest before arrival. Availability is subject to confirmation.

The world looks rather different when you're operating above it.

05.2 OPERATION DEEP RELAXATION

VONU SPA
LICENCE TO UNWIND

Even the world's finest secret agents need to recharge.

K has therefore authorised a rather more pleasurable assignment at the island's Vonu Spa.

Every guest will receive a complimentary 30-minute massage during their deployment.

For those who wish to further indulge, a range of additional spa treatments are available at the agents' own expense.

MISSION INTELLIGENCE

Included
One 30-minute massage per guest (complimentary).

Optional
Additional spa treatments available at extra cost, payable by agents.

Advance
Arrange additional treatments before arrival to secure availability.

Q BRANCH ADVISORY

Your greatest challenge may be remembering that you're supposed to be on a mission.

A different kind of intelligence can be found in stillness.

05.3 OPERATION PARADISE

PRIVATE BEACH PICNIC
ALREADY AUTHORISED

Some missions require no further instructions.

K has arranged a private beach picnic for every couple, in a secluded corner of paradise.

Expect pristine sands, extraordinary surroundings and an opportunity to disappear from the world for a little while.

Your island handlers will coordinate the details.

MISSION CONFIRMED FOR EVERY COUPLE

NO FURTHER ACTION REQUIRED.

Some secrets are best shared with just one other person.

05.4 MISSION CLEARANCE

YOUR RESPONSE IS REQUESTED

Before deployment, agents will be asked to indicate their interest in the scenic flight and any additional spa treatments through the forthcoming secure response form.

These responses will allow your handlers to coordinate the necessary arrangements.

Expressing interest does not constitute a confirmed booking. Your handlers will advise on availability.
